SUMMARY

A dedicated undergraduate student with a strong interest in technology, research, leadership, and community engagement. Through academic, volunteer, internship, and fellowship experiences, I have developed effective communication, teamwork, problem-solving, and organizational skills. I enjoy learning new ideas, adapting to different environments, and taking responsibility in collaborative projects. I am eager to contribute to meaningful research while continuously developing my knowledge and skills in an international academic environment.

EXPERIENCE

Intern

Bachpan Save The Innocence

June 2026 – July 2026, India

Save-A-Lot offers high quality foods at a great value.

- Developed and implemented a streamlined data entry process for donor information, improving record accuracy by 15%.
- Designed and executed a social media campaign to raise awareness about child welfare issues, reaching over 10,000 individuals and increasing engagement by 25%.
- Collaborated with cross-functional teams to develop and present quarterly reports on child welfare program impact and donor engagement metrics.
- Coordinated acceptance tracking for over 200 new donation applicants monthly using Salesforce CRM, expediting onboarding times by 22% over a six-month internship and ensuring compliance with organizational vetting protocols.

Volunteer

Milker Fellowship

June 2026 – Present, Pakistan

FCA's vision is to see the world transformed by Jesus Christ through the influence of coaches and athletes.

- Spearheaded community outreach initiatives from January 2026 to April 2026, directly engaging with over 150 local participants to promote public health awareness campaigns.
- Facilitated impactful community welfare projects by developing strategic partnerships with local NGOs and government bodies.
- Managed fundraising operations for 3 community welfare projects, successfully tracking resources and generating crucial financial support.
- Coordinated logistics and team scheduling for 5 major fellowship events, ensuring seamless execution across multiple volunteer teams.

Intern

IHIR

July 2026 – Present, Pakistan

An industry-specific recruitment platform that connects employers with qualified candidates across 57 talent communities.

- Assisted in planning and supporting community outreach, awareness, and educational activities as a Volunteer and Intern.
- Collaborated with team members to organize events, workshops, and awareness campaigns on social issues.
- Demonstrated teamwork, leadership, communication, and problem-solving skills while contributing to the organization's mission.
- Analyzed potential challenges and opportunities in project planning using SWOT analysis over a 3-month internship, contributing to a 25% increase in event participation and leveraging Google Workspace tools for efficient reporting.

EDUCATION

HSSC IT

Govt Associate College For Women GACW • Safdrabad • 2026

CERTIFICATIONS

Korean For English Speakers

2026

- Bridges Academic Skills

Certificate Of Appreciation

Great Future Pakistan • 2025

- Enhances Global Applications: It provides strong proof of co-curricular achievement for international summits and scholarships

DEAR SELECTION COMMITTEE

It is a genuine pleasure for me to recommend **Miss Arooj Abbas** for admission to your prestigious undergraduate program. As her direct **Computer Science** teacher, I have mentored **Arooj** for the past two years at our institution. Throughout this period, she has consistently demonstrated strong **Academic integrity**, **Intellectual curiosity**, and a highly respectful attitude toward both the faculty and her peers.

In the classroom, she stands out for her natural aptitude for technology. Her academic consistency is well-reflected in her coursework, particularly in Computer Science where she has remained among the top tier of her class through exceptional analytical performance. She possesses a solid grasp of core computer logic, which she has practically demonstrated by assisting in formatting digital educational materials for local community initiatives. Furthermore, her proactive nature is evident during practical lab sessions, where she willingly guides struggling classmates—a trait that highlights her genuine leadership potential.

Regarding her academic quality she approaches complex concepts with a strong quest for knowledge. Her performance in logic-building assignments and terminal evaluations speaks volumes about her dedication to digital technology. In our academic discussions, I have found her fundamental understanding of information systems to be mature and highly analytical.

When evaluating her strengths, she exhibits commendable self-discipline and adaptability. She responds constructively to feedback and is always eager to refine her skills. As an area of growth, she is naturally a reserved individual who thrives in quiet, focused environments rather than extensive social settings. While she is quiet in large, unfamiliar groups, her communication in academic settings is remarkably clear and mature. She balances this quiet demeanor by being a highly collaborative and supportive team member during group projects.

Her distinct academic performance and genuine passion for technology make her an ideal candidate for this intensive program. Based on her track record at our college and her future potential, I am entirely confident that she will prove to be a valuable asset to your institution. Therefore, **Arooj Abbas** has my highest, unreserved recommendation for the Global Korea Scholarship (GKS). Please feel free to contact me if any further details are required.

Sincerely

Atiya Batool

Lecturer in Computer Science
